The grand opening of stage one of our affordable housing project was held on the 15th of November. Thankyou to everyone who made this possible and the community members who attended the opening, had a look through the house followed by refreshments and a chance to have a chat about the project.

Once again, we are selling Christmas Raffle Tickets - available to purchase from both Houses.

All proceeds go to supporting Deloraine and Meander House support the community.

Rapid Relief Team generously put on a free community BBQ at Deloraine House. Many thanks to Dan and his local volunteer team for providing the community with such a great meal. It was really enjoyable to be a part of community coming together for a laugh and chat while grabbing a feed. Go check out online the community work they do Australia wide (and the amazing gear and set ups they utilise to get out where they are needed) - Tash

Houses are run by the community, for the community and offer a wide range of programs and activities for local people."
